

*Caney Valley Medical Clinic
400 Wyandotte Place
P.O. Box 420
Ramona, OK 74061*

November 2, 2015

To Our Patients:

Since the OU Rural Residency Program joined the Caney Valley Medical Clinic in 1996, we have been proud to be a part of the Ramona community. Over the past 28 years, we have seen a change in our patient population. In reaction to these changes, we wanted to share with you our plans for the future.

The Resident Physicians of the OU Rural Family Medicine Residency Program will be moving their practice to the Medical Park Center in Bartlesville on January 4, 2016.

We hope you will continue your care with the Residency Program at our new location. The Caney Valley Medical Clinic in Ramona will continue to operate on a reduced schedule with assistance from the St John's Health System.

We look forward to serving you in our new location.

Sincerely,

W. Michael Woods, M.D.
